Hi Mike,

Do you still plan to have the pre-construction conference on March 9? When is the site wide monitoring plan anticipated to be submitted? I don't see any problem with a one month extension but I would like you to please provide me with a complete revised schedule so I can better understand the path forward if I give you the extension.

Thank you,

Hi Bianca,

I'm following up to the voicemail I left you earlier this week. Please let me know if we can talk sometime this week about our requested reschedule for the Construction QA/QC and TODP.

Thank you,
